

How to make a standing order to FNF East London

Making a Standing Order online

Most banks will allow you to do this. You will need your account login details. Sign in and find the appropriate tab. Fill in the following details as required :

Families Need Fathers East London Branch

FNF account number **14481931**

FNF sort code **23-05-80**

**Metro Bank
120 Cheapside
London EC2V 6JB**

So we can identify who the payment is from you can obtain a payment reference from a Committee member at the branch meeting, or simply email eastlondon@fnf.org.uk and ask.

Making a Standing Order by post

Complete the attached form and sign it. Make sure all the fields are completed (see details above) and post it to your branch of the bank or building society.

Making a Standing Order by Phone

If you have telephone banking you can make a standing order by phone. You will need your account details to hand before you phone so we suggest you complete the standing order form prior to making the call, then you will be fully prepared.

Make sure you have your pass words, pin numbers or answers to whatever security questions they will ask to confirm your identity.

How Much should I give

Attendance at branch meetings is free of charge and you will get advice and support from other members when you come. We do have to pay for the room hire, tea and coffee, the website and txt reminder systems so a donation at every meeting is expected.

If you want a one to one with our legal support mentors, help with form filling, letter writing, witness and position statements, guidance on court appearance and McKenzie support (when available), you will need a standing order. We suggest £10 monthly but would be more than happy for more if you can afford it. Remember a single hour of advice will cost you £200 and a solicitor to run your case will cost you **THOUSANDS!...**

If you can afford it a single large donation will go to help those many hundreds of Dads we see every year who are unemployed, on benefits or simply driven to depression and inaction by the apparently insurmountable obstacles put in their way.
